RULEBOOK

10th - 11th October, 2026

Global Academy Of Technology
Bengaluru - 560 098

BUILD TODAY. A BRIGHTER TOMORROW.

2.1

EVENT OVERVIEW

A HACKATHON TODAY
A BETTER TOMORROW.

EVENT NAME

Code Breaker
Challenge 2.0
#Alforchange

EVENT FORMAT

National-Level
24-Hour Hackathon

EVENT DATES

October 10th & 11th,
2026

VENUE

Global Academy of Technology
Ideal Homes Township,
Raja Rajeshwari Nagar,
Bengaluru – 560098

TEAM SIZE

2 to 4
members per team

REGISTRATION FEE

₹1,200
per team

PRIZE POOL

₹60,000+
CASH POOLBIGGER IDEAS.
BRIGHTER
OPPORTUNITIES.

2.2

EVENT ROADMAP & TIMELINES

PLAN.
BUILD.
COMPETE.
MAKE AN IMPACT.

01

Registration Start Date

07th September 2026

02

Registration End Date

02nd October 2026

03

Offline Registration at Venue

10th October 2026,
8:30 AM onwards

04

Hackathon Start Time (Design Round)

10th October 2026,
10:30 AM onwards

05

Implementation Round Start

10th October 2026,
2:30 PM

06

Hackathon End Time

11th October 2026,
8:30 AM

07

Presentation Round

11th October 2026,
8:30 AM – 10:30 AM

08

Valedictory & Closing Ceremony

11th October 2026,
11:00 AM onwards"SMALL IDEAS
BIG CHANGES."

03

HACKATHON DOMAINS

REAL-WORLD
PROBLEMS.
MEANINGFUL
SOLUTIONS.

01

SOFTWARE &
WEB DEVELOPMENT

Full-stack applications, websites, platforms, and UI/UX design projects.

02

ARTIFICIAL INTELLIGENCE
(AI) & MACHINE LEARNING (ML)

Data-driven solutions, predictive models, natural language processing, and intelligent systems.

03

CYBERSECURITY

Ethical hacking, security tools, vulnerability detection, and secure system design.

The official problem statements will be shared with registered teams on the day of the event.

04

EVALUATION ROUNDS

FROM IDEAS
TO IMPACT.

ROUND 1

DESIGN ROUND

Duration: 4 Hours

No Internet connection allowed.

Problem statements are provided at the start.

Teams must create a simple PPT with an architecture diagram.

Flowcharts are also allowed.

- The PPT should clearly present the proposed solution and system architecture.

ROUND 2

IMPLEMENTATION ROUND

Duration: 18 Hours

- Internet usage is permitted.
- Personal devices including laptops and mobile phones are permitted.
- Shortlisted teams build working prototypes based on their Round 1 design.
- The implementation must include:
 - Working frontend/backend integration
 - Database mapping
 - Key functionality
- Teams must prepare a presentation explaining:
 - Implementation steps
 - Technical challenges
 - Key components

ROUND 3

PRESENTATION ROUND

Duration: 2 Hours

- Selected teams present their working solutions to the judges. It includes:
 - Live demo
 - Process explanation
 - Q&A on technical choices
 - Future scope

ROUND 4

CLOSING CEREMONY & PRIZES

- Announcement of the top 3 teams.
- Prize distribution.
- Participation certificates for all participants.

04

ELIGIBILITY, REGISTRATION & ESSENTIALS

PEOPLE.
IDEAS.
TECHNOLOGY.
A BRIGHTER
TOMORROW.

4.1

ELIGIBILITY & TEAM FORMATION

OPEN MINDS.
DIVERSE TEAMS.
REAL SOLUTIONS.

- Open to currently enrolled undergraduate or postgraduate engineering students.
- Valid student ID or official proof of enrollment is mandatory.
- Individual entries or teams of 2 to 4 members are permitted.
- Interdisciplinary and multi-year teams are allowed.
- Each team must designate a team leader.
- No team changes are allowed after the event starts.
- Organizers, sponsors, family members, or students registered in multiple teams are non-eligible.

2 - 4
MEMBERS
PER TEAM

4.2

REGISTRATION & IDENTIFICATION

VERIFY. REGISTER. PARTICIPATE.

- Participants must carry their college ID.
- A hard copy of a government-verified ID is mandatory, such as:
 - Aadhaar
 - Driving License
 - Passport
- A signed hardcopy consent form from a parent or guardian is strictly mandatory for all participants.

ACCEPTED GOVERNMENT ID

Aadhaar

Driving
License

Passport

Parent/Guardian Consent Form
(Handwritten & Signed) — Mandatory

4.3

EQUIPMENT & AMENITIES

BRING YOUR GEAR.
WE'LL HANDLE THE REST.

WHAT YOU MUST BRING

Laptops

Chargers

Extension Board

Carry all essential equipment
required for development.

FACILITIES AT THE VENUE

Continuous access
to power outlets

Stable Wi-Fi /
Ethernet connectivity

FOOD & BEVERAGES

(Provided by the Organizers)

Lunch, snacks and dinner
on **October 10th**

Breakfast
on **October 11th**

05

PROJECT DEVELOPMENT GUIDELINES

REAL
PROBLEMS.
REAL SOLUTIONS.

01

All projects must be original.

02

Projects must be built entirely during the 24-hour hackathon period.

03

Projects must strictly align with the provided themes or approved problem statements.

04

Off-topic submissions will be disqualified.

05

Open-source libraries, APIs and frameworks are permitted if properly credited.

06

Unauthorized proprietary or licensed material is strictly prohibited.

07

All projects must be submitted before the official deadline.

08

Late submissions will not be evaluated.

05

PARTICIPATION RULES & CONDUCT

RESPECT.
COLLABORATE.
COMPETE FAIRLY.

01

Respectful communication with jury members, organizers, volunteers and peers is mandatory.

02

Misconduct, harassment or disruptive behavior results in immediate disqualification.

03

All team members must remain physically present at the venue throughout the event.

04

Remote participation is unauthorized and not permitted.

05

Organizing committee decisions regarding team selection, evaluations and winner declarations are final and binding.

6.1

CAMPUS CONDUCT

A SAFE AND INCLUSIVE CAMPUS
FOR EVERYONE.

All participants must adhere to the rules and regulations of the host institution throughout the event.

Maintain a respectful and inclusive environment. Discrimination, harassment or any form of misconduct will not be tolerated.

Keep the venue clean. Use designated waste disposal bins.

Consumption or possession of alcohol, tobacco or illegal substances is strictly prohibited on campus.

Follow all instructions given by event organizers, volunteers and campus security personnel.

Any damage to college property caused by negligence or misconduct will be the responsibility of the participant/team and may lead to disqualification.

6.2

EMERGENCY PROTOCOL & EXIT POLICY

BE PREPARED.
STAY INFORMED.
ACT RESPONSIBLY.

IN CASE OF EMERGENCY

Immediately inform the nearest organizer or security personnel. Follow their instructions and remain calm.

MEDICAL ASSISTANCE

Basic first-aid support will be available at the venue. For serious medical issues, participants will be taken to the nearest hospital.

EVACUATION

In the event of a fire alarm, natural calamity or any safety threat, follow the emergency exit routes and assemble at the designated safe zone. Do not use elevators.

EXIT POLICY

- Participants are not allowed to leave the venue during the hackathon without prior intimation to the organizers, except in case of an emergency.
- If you need to leave, inform the organizers and follow the proper sign-out procedure.

07

STEP-BY-STEP
REGISTRATION PROCESSREGISTER.
COLLABORATE.
INNOVATE.

01

VISIT REGISTRATION PORTAL

Access the official registration link shared by the organizers.

02

CREATE ACCOUNT

Sign up using your official details.

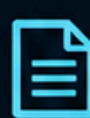

03

FORM A TEAM

Create a team of 2 to 4 members and designate a team leader.

04

FILL IN DETAILS

Provide all required team and project information.

05

SUBMIT REGISTRATION

Confirm and submit your registration before the deadline.

06

RECEIVE CONFIRMATION

You will receive a confirmation email upon successful registration.

07

VERIFY ON EVENT DAY

Carry a valid student ID and report to the registration desk at the venue.

08

YOU'RE ALL SET

Complete the on-site verification to participate in CBC 2.0.

08

JUDGING CRITERIA

IDEAS EVALUATED
ON IMPACT,
FEASIBILITY
AND EXECUTION.

PROBLEM UNDERSTANDING

Clarity in understanding the problem statement and defining the approach.

20%

TECHNICAL IMPLEMENTATION

Quality of solution, technical complexity, innovation in implementation.

30%

FUNCTIONALITY & COMPLETENESS

Working prototype with intended features and accurate results.

20%

PRESENTATION & DEMO

Clarity, structure and effectiveness of the presentation and live demonstration.

15%

IMPACT & SCALABILITY

Real-world applicability, potential for future development and overall impact.
